Sir:

PETITION FOR A FILING DATE

Applicants hereby petition the Commissioner of Patents in accordance with the instructions provided by the Notice of Incomplete Nonprovisional Application ("Notice"), dated August 25, 2004, to obtain a filing date of October 28, 2003 for the above-referenced application. A copy of the Notice is enclosed herewith. Also in accordance with the Notice, Applicants are enclosing a check for \$130.00 to cover the fee for this Petition as set forth in 37 C.F.R. § 1.17(h). If any additional fee is required in connection with the filing of this Petition, please charge that fee to our Deposit Account No. 06-0916.

The Notice states that a filing date has not been accorded to the above-referenced application, because the specification was missing from the October 28,

2003, filing. Applicants respectfully disagree.

First, according to the postcard date-stamped by the Office on October 28, 2003, the Office received a Divisional Application under Section 1.53(b), and a copy of the prior application and declaration were included therewith. Applicants submit herewith a copy of the postcard, as well as a copy of as-filed parent application and declaration. Thus, Applicants' submission on October 28, 2003, complied with the Office's rules and procedures, and the application should be accorded a filing date of October 28, 2003.

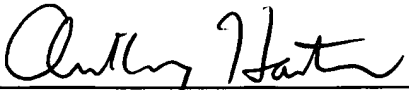

Second, both Applicants' transmittal letter and preliminary amendment, which according to PAIR were received by the Office, incorporate by reference the entire disclosure of the parent Application No. 09/886,013. Applicants note that M.P.E.P. §201.06(c)(IV) states that an incorporation by reference of parent application is a safeguard for a missing application. Accordingly, Applicants' submission on October 28, 2003, complied with the Office's rules and procedures, and the application should be accorded a filing date of October 28, 2003.

Further, in accordance with the instructions of the Notice and in view of the above facts, Applicants hereby request a refund of the petition fee.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
